

# Form A2 - Sewer Adoption Early Start / Pre Start / Construction Inspection

Adoption of sewers (Section 104 Water Industry Act 1991)

Developer Designed and Constructed Sewer Diversion (Section 185 Water Industry Act 1991)

## Design and Construction Guidance

---

### Work Request:

Please tick scheme type(s)

Section 104 (adoption)

Section 185 (diversion)

### Development:

You may request for an early start on site once Conditional Acceptance and/or full Technical Acceptance has been provided. Acceptance of any system is important to ensure that what goes into the ground meets the required standard.

NOTE: Where the site has a diversion incorporated within the application NO works on the diversion should take place until the Agreement is in place and signed by all parties.

Please indicate which type of inspection is required:

Early Start Inspection

Pre Start Inspection

(Agreement must be completed for Pre Start Inspection)
