

In order to progress your sewer connection application, please ensure that this form is completed. Insufficient information will result in delays and difficulties in assessing your proposals.

Section 1: Site and contact details

The Applicant:

The company or individual requesting the new connection. This could be the owner of the site/premises or a builder/developer requesting the connection on another's behalf.

Are you: (please tick all that apply)

Site owner Consultant/Contractor

Company (if appropriate) _____
 Name / for the attention of _____
 Property name / number _____
 Street _____
 Village / town _____
 City / county _____

Developer NAV (New Appointment & Variation)

Contact number _____
 Mobile number _____
 Fax number _____
 Email address _____

 Postcode _____

The Site:

Details of the site or premises to be connected.

Site/property address (inc postcode)

Daytime contact number _____

Section 2: Connection details

If you are proposing to connect to the public sewer network, your appointed contractor must complete a 'Permission to carry out works to a public sewer' form and receive written permission from South West Water before they can begin any work on the public sewer, the form will be supplied when this application has been approved.

Please indicate the type of connection being made

Direct to public sewer

Indirect connection

(Connection made to private lateral drains, where these have been provided in advance for the premises concerned or to existing neighbouring drains with additional permission being obtained from the owner of the drain)

Please indicate the type of premises to be connected	New <input type="checkbox"/>	
	Existing <input type="checkbox"/>	
	Other (Please provide details) <input type="checkbox"/>	
	<hr/>	
	Domestic <input type="checkbox"/>	
	Commercial <input type="checkbox"/>	
Please provide the total number of properties/units to be connected to the public sewer:		
Will your effluent discharge be domestic content only?	Yes	No
If you answered No to the question above, what is the content of the non domestic sewage discharge?		
Please provide details of any effluent derived from commercial processes. We will contact you if a separate agreement and/or Trade Effluent Consent is required for South West Water.		
Please indicate the types of connection(s) you require		
	Foul Sewage	Surface Water
Direct to the public sewer via a junction connection	<input type="checkbox"/>	<input type="checkbox"/>
New manhole constructed on the public sewer	<input type="checkbox"/>	<input type="checkbox"/>
Existing manhole on the public sewer	<input type="checkbox"/>	<input type="checkbox"/>
Please note that foul water only may be connected to an existing foul or combined sewer. Please refer to the Runoff Destination Hierarchy detailed in our guidance notes. South West Water will require evidence that the Hierarchy has been followed and evidence provided to demonstrate why the preferred disposal routes are not acceptable.		
Is there an existing water supply to the premises?	Yes	No
If you answered Yes to the question above, please provide South West Water account number:	<hr/>	
Have you already made an application to South West Water for a new water connection?	Yes	No
If you answered yes to the question above please provide your reference number.	WR/	
Have you already agreed a point of connection to the public sewer with our Developer Services Planning Team?	Yes	No
Have you received planning consent?	Yes	No
If yes, please provide the reference number.	<hr/>	

In order to continue improving our customer services, we may want to share data with a 3rd party company to conduct surveys on how we have performed. If you would prefer us to not share your personal data, please tick this box

For further information, please go to www.southwestwater.co.uk/site-utilities/privacy-and-cookies/

Section 3: Supporting information

Please confirm that all supporting information is included with you application. Your application will be rejected if you do not supply all relevant documents.

A location plan scale 1/2500 with site boundary clearly identified	Yes	No
A site plan scale 1/500 showing where you propose to connect to the public sewer including drainage layout, pipe diameters and gradient	Yes	No
Copy of the Local Authority Planning Decision Notice	Yes	No
Flow/discharge rate calculations for surface water (if applicable)	Yes	No

Section 4: Declaration

- I wish to apply for permission to connect to the public sewer for the premises referred to in this application under Section 106 of the Water Industry Act 1991.
- I confirm that I have read and will comply with the 'Sewer Connection Guidance Notes' and South West Water's charges.
- I confirm that I have obtained all necessary Building Regulation and Planning Authority Consents required for this application.
